Commissioner as provided for herein.

**Section 2:** The Commission shall follow the procedural requirements of the Arkansas Administrative Procedure Act, in particular Ark. Code Ann. § 25-15-203 and § 25-15-204. The Commission is also required to abide by the provisions of Ark. Code Ann.§ 10-3-309, and any other statutes, directives, or executive orders by the Governor applicable to rule promulgation.

**DECLARATORY ORDERS.**

**A. Purpose and Use of Declaratory Orders**
A declaratory order is a means of resolving a controversy or answering questions or doubts concerning the applicability of statutory provisions, rules, or orders over which the agency has authority. A petition for declaratory order may be used only to resolve questions or doubts as to how the statutes, rules, or orders may apply to the petitioner’s particular circumstances. A declaratory order is not the appropriate means for determining the conduct of another person or for obtaining a policy statement of general applicability from an agency. A petition for declaratory order must describe the potential impact of statutes, rules, or orders upon the petitioner’s interests.

**B. The Petition**
The process to obtain a declaratory order is begun by filing with the Executive Director a petition that provides the following information:

2. The name, address, phone number, and facsimile number of the petitioner.
3. The name, address, phone number, and facsimile number of the attorney of the petitioner.
4. The statutory provision(s), agency rule(s), or agency order(s), on which the declaratory order is sought.
5. A description of how the statutes, rules, or orders may substantially affect the petitioner and the petitioner’s particular set of circumstances, and the question or issue on which petitioner seeks a declaratory judgment.
6. The signature of the petitioner or the petitioner’s attorney.
7. The date.
8. Request for hearing, if desired.

**C. Agency Disposition**

1. The agency may hold a hearing to consider a petition for declaratory statement. If a hearing is held, it shall be conducted in accordance with A.C.A. § 25-15-208 and § 25-15-213, and the agency’s rules for adjudicatory hearings.
2. The agency may rely on the statements of fact set out in the petition without taking any position with regard to the validity of the facts. Within ninety (90) days of the filing of the petition, the agency will render a final order denying the petition or issuing a declaratory order.
